## HYDRAULIC INSTITUTE PRESENTS PUMPS 101

*Part of Pump Summit Americas Conference & Exhibition*

**Houston, TX, March 23, 2016** – Pump Summit Americas has partnered with the Hydraulic Institute to bring you: “Pumps 101: Understanding Centrifugal & Positive Displacement Pumps; Best Practices in Reliability & Maintenance Processes”. The half-day pumps course is ideal for young engineers, non-technical personnel, as well as purchasing, maintenance, and operational management. It will take place on Monday, June 13<sup>th</sup>, 2016 from 1:30pm – 6:00pm at the George R. Brown Convention Center.

Pumps 101 will be taught by William C. Livoti from WEG Electric and take place during Pump Summit Americas conference & exhibition. The course will cover: pump components, basic engineering concepts, major pump groups and technologies, best practices in reliability methods, pump maintenance management practices, and advantages of centrifugal and positive displacements.

*Sign up for Pumps 101 today! Visit: [www.regexpo.com/mdna/ps16](http://www.regexpo.com/mdna/ps16).*

###

### ABOUT KCI WORLD

KCI (Knowledge Communication Information) is a technology driven, independent media and information group. The company is a market leader in processing and delivering technical information with a high added value for the global flow control, stainless steel, and pump communities in the process industries. Famous brands are Stainless Steel World, Valve World, Pump Engineer, Nuclear Exchange, and Edelstahl Aktuell. KCI does business in more than 80 countries worldwide.

### ABOUT MESSE DÜSSELDORF NORTH AMERICA

Messe Düsseldorf North America (MDNA) is the U.S. subsidiary of Messe Düsseldorf Germany - one of the worlds' largest organizers of international trade fairs. Messe Düsseldorf is one of the global leaders in exhibitions and events for the flow control industry, including Valve World in Düsseldorf, Houston, and China. Furthermore, the company organizes the undisputed No. 1 trade fair for the tube and pipe industry, Tube Düsseldorf. Professional events within strategically important growth markets in Dubai, Shanghai, Mumbai, Bangkok and Moscow round out our expertise in this industry.
